

DECEMBER 2025 NEWSLETTER

Hello Families!

Winter has arrived, and our school is buzzing with excitement! As the temperatures dip, please be sure your children bundle up in warm coats, hats, gloves, and boots so they can enjoy every moment of outdoor fun.

And speaking of fun—nothing brings more smiles than fresh snow! Our students love

playing in it, and we love seeing their joy. To keep everyone safe and happy, we remind all students that snow play is welcome, but snowballs need to stay on the ground—no throwing, please!

Our hallways are also filled with music as students rehearse for the upcoming Winter Concert. They've been working so hard, and we can't wait for families to enjoy their wonderful performances on Wednesday, December 17th at 11:00am and 1:00pm!

As we prepare for winter break, please take a moment to check our Lost and Found. It's overflowing with coats, lunch boxes, and other treasures that would love to go home before the break.

As we head into the holiday season, the staff of Voyageur want to wish each of our families a bright, joyful, and cozy celebration. Whether you're enjoying special traditions or simply relaxing together, may this time be filled with warmth and happiness. Happy Holidays to all!

Sonia Baidwan, Vice-Principal

Remembrance Day 2025

Voyageur Elementary School would like to thank Alfred Schotel and his mother, Teresa Bickert, for creating an amazing Remembrance Day display. Their collection included military memorabilia from wars Canadians were involved in, with some artifacts dating back to the 1860s.

Alfred and Teresa also visited classrooms to share historical information about these items. Students had the chance to learn more about Canada's military history and see real pieces of the past up close. This experience helped everyone better understand and appreciate the sacrifices made by those who served.

Thank you for helping us honor and remember our veterans in such a meaningful way.

THE MIDDLE YEARS DEVELOPMENT INSTRUMENT (MDI) IS COMING TO YOUR SCHOOL IN JANUARY/MID-MARCH!

School District #28 Quesnel has partnered with the Human Early Learning Partnership (HELP) at the University of British Columbia to measure and promote children's social and emotional development, health, well-being, and assets through the Middle Years Development Instrument (MDI). The Middle Years Development Instrument (MDI) is a self-report questionnaire that asks children in middle childhood about their thoughts, feelings and experiences. The MDI is the first survey of its kind to gather information about the lives of children both in school, in the home and in the community, from their own perspective. The survey questions align with the BC Ministry of Education's K-12 curriculum, which includes a focus on promoting children's personal and social competencies.

Grade 6 students are invited to complete the MDI during class time between:
January 13th and March 13th, 2026.

For more information and to view the questionnaires:

Parent FAQs:

If you don't want your child to participate, please contact your child's teacher, fill out the withdrawal form at the end of the parent/guardian informed passive consent letter, or contact the MDI project staff at mdi@help.ubc.ca.
