

2026–27 SCHOOL BUS ROUTE CHANGES

A Summary for Quesnel-Area Families

What's Changing District-Wide

Most routes have been updated in the following ways:

- Transfer buses have been eliminated — students now ride one bus from pickup to school.
- Nearby stops have been combined into fewer, more efficient pickup points.
- Pickups have been shifted from side roads onto main roads where possible.
- Routes now align more closely with school catchment boundaries.
